

GreenS Cyprus 7th Steering Committee Meeting
Department of Environment

Nicosia 4.4.2018

Participants

Natalia Georgiou	Department of Environment
Savvas Vlachos	Cyprus Energy Agency
Harrys Kordatos	Cyprus Energy Agency
Katerina Hallouma	Purchasing and Procurement Service
Panagiotis Kastanias	Cyprus Employers and Industrialist Federation

On April 4, 2018, at 8:30 pm a meeting of the GPP Steering Committee was held at the headquarters of the Department of Environment in Nicosia.

Mrs. N. Georgiou-Tsiakalou welcomed the members of the committee and spoke about the purpose of the meeting, making a review of the CY Gpp awards of the previous years.

A discussion followed about the revision and preparation of the 2018 tender announcement / invitation, with a possible date of publication on 31 May, when the Final Event for the GreenS project in Cyprus has scheduled. A possible date for the award ceremony initially set on 23 November 2018 to be combined with the EWWR actions set for 2018 by the EU from 17/11/2018 to 25/11/2018.

The assessment criteria then reviewed one by one and revised where was necessary. For the air conditioning and RES groups, the Cyprus Energy Agency and Cyprus Employers and Industrialist Federation proposals will be sent to complete the form.

At the same time, members of the Commission were briefed on the the implementation of three GPP pilots under GreenS (green criteria used), and the final actions until the end of the project.

Ms Georgiou-Tsiakalou thanked the members of the Commission and noted that the amendments would be sent within days for comment so that the documents for publication will be ready by 31 May 2018 at the latest.
